DAY SPONSORSHIP

An investment in optimism

For the equivalent of a weekend break, you can make a conscious investment in optimism TODAY!

By committing to a sponsorship package supporting The East West Overseas Aid Foundation (TEWOAF), you can help feed and support 48 children (35 girls and 13 boys), 43 staff and 13 part-time tutors at the Uluru Children's Home, as well as paying doctors and carers and supporting free medical services to 30,000 people in the villages surrounding the children's home. TEWOAF was founded with a vision to enhance the everyday lives and future opportunities of under privileged communities overseas, primarily through a range of projects in South East India. Since its establishment in 1992, it has made impressive progress in achieving that vision: a flourishing children's home, medical outreach programs and environmental, social and community initiatives are just some of TEWOAF's recent milestones. Core responsibilities such as providing the best care and opportunities for the children at Uluru remain critical to TEWOAF's activities. With sponsorship packages available at **\$200 for a half day, \$400 for one day, \$2800 for one week and \$12,000 for one month**, your donation will cover the current operational costs of running the home, including food, medicine, education, staff salaries, and other supplies necessary to the running of the home and its associated community activities.
